

# DO YOU LIKE WORKING WITH YOUR HANDS AND SOLVING PROBLEMS?

## A CAREER AS AN ELECTRICIAN MAY BE FOR YOU!

The Permian Basin region is growing, and electrical workers are needed in the commercial and residential construction industry as well as the energy sector. Electrical grads can earn **\$18/hr** average starting wage with lots of room to grow. As they gain experience, they can earn **\$25-30/hr** or more and even own their own businesses!

## FAST, FREE TRAINING

Skillpoint Alliance offers a four-week, full-time, FREE training program that features:

- Free licensing
- Safety training (OSHA-10)
- Hands-on skills
- Conduit bending
- Supportive staff who help students find jobs
